

SUNN Team Parka & Suits Size Charts

The hooded parka is made by *truWest* and has a navy blue nylon shell fully lined with truArctic lining in gold. This combination of fabrics provides quality thermal protection especially during the winter months. The SUNN block letters are sewn on the back of the parka. In addition, you can choose to have the first, last, or full name of the swimmer embroidered on the front of the parka at no extra cost.

The parka generally takes 4 weeks from order to delivery during the warmer seasons. **However, it might take up to 12 weeks to process your order in the fall and winter.** Someone will contact you at the email address and/or phone # provided on the order form to arrange pick up.
